**ORDER REGARDING TRIAL TRANSCRIPTS**

---

Following a bench trial in February 2012, the parties met and conferred regarding any corrections they wished to make to the transcript of the trial. The court reporter has reviewed the proposed corrections and has indicated his belief that many of the proposed changes are unwarranted. My own review of the proposed changes indicates that almost all of them involve matters of grammar, punctuation, capitalization, and the sorts of minutiae one normally finds in a transcript of a lengthy live hearing. (Dkt. No. 1348, Ex. A.) As such, I will decline to amend the official transcript of the trial. If either party believes a truly material error occurred in the transcription, it may bring the matter to the Court's attention within seven days.

**SO ORDERED** this 3rd day of October, 2012.
